## Prayer Focus for the Month The United States

*To* many of our *citizens*, it appears that our *country* is politically, *economically*, and *culturally bankrupt*, but America's true *condition* is that of *spiritual* bankruptcy. *Simply* put, we, as a *nation*, have *rejected* the *foundation* of national *stability*: Biblical *truths*, *statutes*, *judgments*, and *laws*. As a result, we may be *headed* for a national *disaster* . . . unless *God intervenes*.

---

*" . . . they were at their wits' end. Then they cried out to the LORD in their trouble, and he brought them out of their distress. --Psalm 107: 27-28*

---

*During* the coming week, ask *God* to rend the *heavens* and *show* forth *His* awesome *presence*, sweeping throughout our *country* and bringing a new *spiritual awakening* among *us* and our *countrymen*.

*"Oh, that you would rend the heavens and come down, that the mountains would tremble before you!"--Isaiah 64:1*

*" . . . to make her holy, cleansing her by the washing with water through the word, and to present her to himself as a radiant church, without stain or wrinkle or any other blemish, but holy and blameless." --Ephesians 5:26-27*

*The Spirit and the bride say, "Come!" And let the one who hears say, "Come!" Let the one who is thirsty come; and let the one who wishes take the free gift of the water of life." Revelation 22:17*

## WORSHIP SERVICES and COVID-19

The governing board has extended closing the doors at 1019 Moore Street to the public until **Saturday, April 18, 2020**. During that week the board will decide how to schedule future services/events.

However, the Huntingdon CMA is alive and well on the world wide web. Please worship with us on-line this Palm Sunday, **April 5 at 10:30 a.m.** Go to our **Facebook** page at "**Huntingdon CMA Church**" or on our Live Stream link at **www.huntingdoncma.org**. We will be worshipping our Savior with songs and hymns at these locations. Rev. Tim Shafer will be giving the message "A God Moment Turned To Tragedy" .

Please remember to support the church with your giving. You can give on your phone or tablet using the "**Givelify**" app, through **on-line** bill pay, or **mail** it to the church at 1019 Moore Street, Huntingdon. If you are a **cash** giver, you can give it to one of the elders and they will make sure it gets to the right place. These are challenging times and we want to continue to be a church family. Let's pray for each other as we "love at arm's length" .

**Thank you for continuing to be a church that loves God and each other!**

Screening results are provided to you in 21 days. We direct all participants with abnormal results to take the report to their physician. Carotid Artery and PAD screenings help identify the presence of Atherosclerosis, and if found, can be an early warning for higher risks of stroke and coronary artery disease. Such early warning information can help you and your doctor take important steps to reduce your risk for more serious health issues. If necessary, steps may include lifestyle and diet, medical therapies, and even more thorough follow-up testing and evaluation of your heart function. Appropriate modification of risk factors (including high blood pressure, smoking, heart disease, diabetes and poor diet) is also necessary for cardiovascular disease prevention. Our screenings cannot detect all forms of stroke risk or cardiovascular disease. All tests are for screening purposes only. You should consult with your personal physician regarding your screening results. Insurance Note: Life Line Screening does not participate in the Medicare program and the cost of our screening services is not covered or reimbursable by Medicare. Life Line Screening does not file insurance claims nor provide referrals to any physician's group or hospital. Screenings in California are provided by Life Line Mobile Screening, a physician owned practice. Screenings in Kansas are performed by Life Line Screening of America, Ltd. on behalf of Life Line Screening Physicians, P.A. Screenings in New Hampshire, New Jersey and New York are performed by Life Line Medical Screening, LLC (Dr. Andrew Manganaro, 70 Niagara Street, Buffalo NY, 14202). Life Line Screening does not engage in the practice of medicine in those states. This information is not intended to induce referrals by Life Line Screening to Life Line Medical Screening, LLC for any professional medical service. Texas residents: Physician authorization is required. A Life Line Screening affiliated physician will provide authorization for you if you qualify. Cancellation Policy: A full refund is issued if you call to cancel at least two days prior to your appointment. If less than two days' notice is given, we will issue a Gift card for the full amount to be used by you, or anyone you choose, to purchase future screening services.
