

Mask Required at Church As of July 1st

*As many of you are probably aware, the Governor has mandated that anytime a person is in a public forum, we must wear masks. This went into affect **July 1st**. I am also certain, many of you have your own thoughts and opinions on this measure. Whatever your thoughts are (I would be happy to hear them in private if you would like), I am going to ask that we as a church family take the lead in this area. I am going to ask that we wear masks to our worship services beginning this Sunday. Let us demonstrate love to both our community and our church family. We have some people in the church who fall into the vulnerable population. Let us love them well. Whatever your personal thoughts are on this issue, let us be united on this non-essential issue.*

So, with that, I would ask that beginning this Sunday, before you exit your car, please put on a mask and leave your mask on until after we finish singing. Then please leave your mask on until you return to your vehicle. Again, I understand that people have strong feelings on both sides of this issue. Let me remind you that this is not an essential issue, rather a love issue. Let's love each other well.

UPDATED NEWS: WORSHIP SERVICES and COVID-19

WE have moved to “Phase 2: Transition”. See the attached Phase 2: Transition plan. Please continue to join us online if you feel that you are in the ‘at-risk’ category. We will be maintaining our online platforms indefinitely. This Sunday July 5th, at 10:30AM, Rev Rob Hill will be giving the message: **“Peter’s First Sermon”**.

We have resumed children’s church; Sunday School for all ages; and in person small groups. In the buildup to the reopening, you can expect our trustees, custodian, and teachers & leaders to be preparing lessons as well as sanitizing the spaces that will be used. **AS** we continue to move through COVID-19 challenges, and return to worshipping under one roof again, there are some additional changes coming.

On Wednesday, July 15th, we will relaunch Prayer Meeting. Right away, you will notice some differences. We will begin at 6:30 pm, hoping an earlier time will be more accommodating to young families. We will also need your help with focusing on prayer during prayer meeting. You can help by ensuring you let the church office know what your prayer requests are by noon each Wednesday.

This also means we will be discontinuing Head for the Hills at the same time. Thank you for all who have supported this new ministry!

If you have questions, please contact an elder or Pastor Rob.

Thank you for continuing to be a church that loves God and each other!

Prayer Focus for the Month

Gabon--officially the Gabonese Republic--is located on the west coast of central Africa, bordering that section of the Atlantic Ocean

known as the Gulf of Guinea. Its size is more than twice than that of Pennsylvania at 103,346 square miles. Its population, however, is only about sixteen percent of Pennsylvania's at approximately 2.1 million people.

Christian and Missionary Alliance international workers (IWs) from the United States first entered this equatorial country in 1934. Since that time, the Alliance has established 115 churches, all of which have been officially recognized by the Gabonese government and are able to support their own pastors and leaders. As the largest family of evangelical churches in Gabon, these churches are taking the initiative to plant new churches and reach into new areas of their homeland with the Gospel.

Today, all U. S. church-planting and related IWs have transitioned from Gabon, and the national church is working toward becoming a complete church-planting and missionary- sending partner in the worldwide Alliance movement. The only remaining U.S. Alliance workers serving in Gabon are connected with Bongolo Hospital located in the town of Lebamba in southwestern Gabon, where people hear Jesus' message of hope in their darkest hours.

During the Coming Week

Thank God for the way He has used and blessed The Christian and Missionary Alliance Church of Gabon, and ask Him to continue using the national church to enlarge His influence by spreading the Gospel among the Gabonese people.
