
Mask Required at Church As of July 1st

*As many of you are probably aware, the Governor has mandated that anytime a person is in a public forum, we must wear masks. This went into affect **July 1st**. I am also certain, many of you have your own thoughts and opinions on this measure. Whatever your thoughts are (I would be happy to hear them in private if you would like), I am going to ask that we as a church family take the lead in this area. I am going to ask that we wear masks to our worship services beginning this Sunday. Let us demonstrate love to both our community and our church family. We have some people in the church who fall into the vulnerable population. Let us love them well. Whatever your personal thoughts are on this issue, let us be united on this non-essential issue.*

So, with that, I would ask that beginning this Sunday, before you exit your car, please put on a mask and leave your mask on until after we finish singing. Then please leave your mask on until you return to your vehicle. Again, I understand that people have strong feelings on both sides of this issue. Let me remind you that this is not an essential issue, rather a love issue. Let's love each other well.

UPDATED NEWS: WORSHIP SERVICES and COVID-19

WE have moved to “*Phase 2: Transition*”. See the attached Phase 2: Transition plan. Please continue to join us online if you feel that you are in the ‘at-risk’ category. We will be maintaining our online platforms indefinitely. This Sunday July 19th, at 10:30AM, Rev Rob Hill will be giving the message: “**The Church Advances**”.

*****Until further notice, we are asking that face masks be used in the church*****

We have resumed children’s church; Sunday School for all ages; and in person small groups. You can expect our trustees, custodian, and teachers & leaders to be preparing lessons as well as sanitizing the spaces that will be used. **AS** we continue to move through COVID-19 challenges, and return to worshipping under one roof again, there are some additional changes coming.

On Wednesday, July 15th, we relaunched Prayer Meeting at 6:30 pm, hoping an earlier time will be more accommodating to young families. We also need your help with focusing on prayer during prayer meeting. You can help by ensuring you let the church office know what your prayer requests are by noon each Wednesday. (Head for the Hills, has been discontinued)

Thank you for all who have supported this new ministry!

If you have questions, please contact an elder or Pastor Rob.

Thank you for continuing to be a church that loves God and each other!

SUNDAY SCHOOL ANNUAL PICNIC 2020

Mark your calendar! The Sunday School Picnic will be held at the Portstown Park on Sunday August 23, 2020!

Copies of the JUNE Governing Board minutes & Treasurer Reports are available in the foyer area near the church office.

Prayer Focus for the Week

In addition to providing compassionate, professional medical care each year to 1,000's of people living in the area surrounding Lebamba, Gabon, the Bongolo Hospital also instructs, mentors, and disciples medical professionals. In response to the long-standing shortage of qualified medical professionals in all African countries, Bongolo Hospital offers four training programs that are recognized across the continent for the quality of its graduates.

- The School of Nursing:** Because there are fewer doctors in Africa, the nurses must make clinical decisions and treat patients. Consequently, the students in this program are prepared more like nurse practitioners than their counterparts in the United States.
- Anesthesia:** This intensive, 2-year program prepares African nurses to capably provide safe anesthesia care for a variety of surgical procedures.
- Surgical Residency:** This is a five-year program that prepares African physicians as general surgeons. It also offers its residents experiences in orthopedics, gynecology, otolaryngology, maxillo-facial surgery, plastic surgery, and anesthesia.
- Ophthalmology:** This advanced program trains African physicians as ophthalmological surgeons. These doctors become qualified to perform what we consider routine procedures, such as cataract surgeries, but also to surgically deal with eye problems that are unique to Africa.

Keep this in mind. The hospital, the clinics it runs, and the training schools are relatively small, function on limited budgets, often have difficulty in securing medical supplies, and recently have had to make major adjustments in an attempt to mitigate the spread of COVID-19.

Nevertheless, praise God! The staff persists in fulfilling their dual calling: to provide Christ-centered, compassionate, professional medical care to the most needy and to equip Christian medical professionals to be a blessing wherever they serve in Africa.

During the coming week, ask God to continue enabling this Alliance ministry in fulfilling its mission for His glory and for the welfare of the Gabonese and other African people.
