## IMPORTANT COVID NEWS ...

As you no doubt are aware, there has been an increase of COVID cases in Huntingdon. To do our part in mitigating further spread, we want to remind you to wear your mask until we are finished singing (and anytime you are moving around the church). In addition, we will be increasing our sanitation efforts by purchasing a fogger (sanitizing spray) to be used after each service. We will also begin temperature checks as you come in.

We are very encouraged by the desire for further fellowship after church. This is normally a blessing. However, we ask for this time to be brief so as to give our workers an opportunity to begin the sanitation process.

Thank you all for your patience and love for your brothers and sisters in Christ.

*On behalf of the Governing Board, Pastor Rob*

=====

**So Please Wear a Mask....**In the interest of comfort, please wear a mask until the sermon begins & put it on after the sermon ends. Again, we understand people have strong feelings on both sides of this issue. Remember, this is not an essential issue, rather a love issue. Let's love each other well.

## 10/40 WINDOW

Since COVID Creative Access Workers are more isolated than ever. They need us. Please consider “adopting” a missionary to pray for and communicate with.

### Creative Access Country Worker Communication Policy

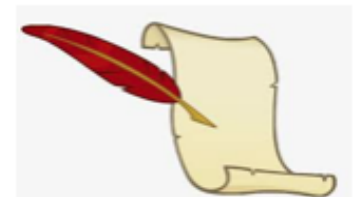

International workers in Creative Access Countries (CAC) risk having their visas revoked, being expelled from countries, or worse when their identities and locations are disclosed. Anything you communicate can be placed on the internet.

There are many “searchable” words and subjects that should not be used in communication with our International Workers (IWs). The correspondence guidelines are to assist us in **all** our correspondence with them. The single most important communication mode requiring discretion is email. We have to assume that all email sent to and from an IW is downloaded, opened and/or saved by someone other than the intended recipient. This is reason for caution and vigilance.

We can't even post the communication policy online. This is very critical information that should not be shared other than by hard copy.

We must take all precautions to keep our International Workers safe.

We have hard copies of the policy and missionary contact information in the lobby.
