## IMPORTANT COVID NEWS “Update” ...

*The governing board has met regarding the recent increase in cases in Huntingdon. We are concerned, as many of you are as well. We have made the tough decision to postpone **Sunday School** until we re-evaluate after the New Year. We will continue to worship online and in-person as we have been doing these last few months. Notable upcoming events such as our **Christmas Eve Service** remains as scheduled. We do ask that we utilize every means possible to ensure physical distancing. We thank you for your continued prayers and support. If you have any questions, please reach out to a board member.*

=====

To do our part in mitigating further spread, we want to remind you to wear your mask until we are finished singing (and anytime you are moving around the church). In addition, we will have increased our sanitation efforts by purchasing a fogger (sanitizing spray) to be used after each service. We will also begin temperature checks as you come in.

We are very encouraged by the desire for further fellowship after church. This is normally a blessing. However, we ask for this time to be brief so as to give our workers an opportunity to begin the sanitation process.

Thank you all for your patience and love for your brothers and sisters in Christ. *On behalf of the Governing Board, Pastor Rob*

=====

**So Please Wear a Mask....**In the interest of comfort, please wear a mask until the sermon begins & put it on after the sermon ends. Again, we understand people have strong feelings on both sides of this issue. Remember, this is not an essential issue, rather a love issue. Let's love each other well.

### WEDNESDAY EVE PRAYER MEETING .....

Due to the Christmas season and COVID, we will be postponing prayer meeting until after the New Year. Stay tuned for more details.

**PRAYER FOCUS - HONDURAS**

Inca Link International is an organization started by two Alliance missionaries that is focused on resourcing, enabling and empowering our national Inca Link organizations to reaching the 300 million youth in Latin America with Christ's irresistible love.

Honduras is the fourth country in Latin America where Inca Link has begun to serve. Daniel Ascencio and his wife, Nayeli, minister to the Honduran people as they run two Inca Link projects and serve as Youth Directors of the Christian and Missionary Alliance of Honduras.

Currently they support a soccer project in Meroa 8 and run a discipleship program in Pueblo Viejo.

They support the soccer project remotely with resources and training their leader Omar Ciru, who is using soccer to disciple children of this community.

The problem in this area is that children aspire to study up to 6th grade at most, and after that they look for a job in palm harvesting, driving motorcycle taxis or boats, etc. All this due to the limited development opportunities in a community where you can only get there by boat. Another product of these circumstances is that there is a high teen pregnancy rate. Omar's mission is to use soccer as a means of discipleship for men and women to show them the irresistible love of Christ, and based on a personal encounter with Him they can make the best decisions for their lives.

# GIVE THE LIGHT OF THE WORLD THIS CHRISTMAS

YEAR-END OFFERING

Jesus entered the world to lead humankind out of darkness and into the light. But His mission remains *unfinished*. God has raised up The Alliance to be one of His end-times families to carry the light of the gospel to the remaining least-reached corners of the world—until ALL have had the opportunity to hear. And we won't stop until the job is done.

These are uncertain and difficult times, but a crucial time for the gospel. We are experiencing a once-in-a-generation opportunity, as many around the world will encounter Jesus for the very first time because of the continued faithful presence of Alliance workers.

**This Christmas, will you give the gift of gospel presence by supporting your Alliance workers as they bring Jesus into the unfinished stories of the world's lost, wandering, and overlooked?**
