IMPORTANT COVID NEWS “Update” ...

The governing board has met regarding the recent increase in cases in Huntingdon. We are concerned, as many of you are as well. We have made the tough decision to postpone Sunday School until we re-evaluate after the New Year. We will continue to worship online and in-person as we have been doing these last few months. We do ask that we utilize every means possible to ensure physical distancing. We thank you for your continued prayers and support. If you have any questions, please reach out to a board member.

=====

To do our part in mitigating further spread, we want to remind you to wear your mask until we are finished singing (and anytime you are moving around the church). In addition, we will have increased our sanitation efforts by purchasing a fogger (sanitizing spray) to be used after each service. We will also begin temperature checks as you come in.

We are very encouraged by the desire for further fellowship after church. This is normally a blessing. However, we ask for this time to be brief so as to give our workers an opportunity to begin the sanitation process.

Thank you all for your patience and love for your brothers and sisters in Christ.
On behalf of the Governing Board, Pastor Rob

=====

So Please Wear a Mask....In the interest of comfort, please wear a mask until the sermon begins & put it on after the sermon ends. Again, we understand people have strong feelings on both sides of this issue. Remember, this is not an essential issue, rather a love issue. Let's love each other well.

WEDNESDAY EVE PRAYER MEETING

Due to the Christmas season and COVID, we will be postponing prayer meeting until after the New Year. Stay tuned for more details.

Inca Link Honduras part 2 Pueblo Viejo - La Sierra

This area flooded during the recent hurricanes.

Because the Lencas are a shy people, they express themselves through the excessive use of alcohol, which has produced many social problems such as teenage pregnancies, abuse, and teen suicide.

Daniel Ascencio started doing a movie program so they would have a distraction after their long work day in the fields with free popcorn and a drink. Through this, they see they are not alone and that God loves them. Praise God, families were looking for God and Daniel was able to place them in a local church.

When they discovered that a group of 8 children walked about 2 hours to get to the movie program from a community called “La Sierra”, they realized that God wanted them to go serve there. They realized that the area is a place where families occupy an empty lot with the hope that over time they can become the land owners; they have improvised houses and have organized themselves as a neighborhood council to be able to ask for the land. But while they wait, they do not have basic services such as: water, electricity, sewage, hospitals, a police station, internet, etc. Daniel began meeting with these 8 children in a community soccer field and when it rained they would run to a neighbor’s house where he would let them finish the lesson.

The group has grown from 8 to 25 boys and girls. When the neighbors saw the work they were doing, they decided to lend the communal house to meet.

Pray:

Clean up efforts and the health and safety of everyone.

They can continue to meet and grow in both places.

GIVE THE LIGHT OF THE WORLD THIS CHRISTMAS

TODAY IS
THE LAST
DAY TO GIVE

YEAR-END OFFERING

Jesus entered the world to lead humankind out of darkness and into the light. But His mission remains *unfinished*. God has raised up The Alliance to be one of His end-times families to carry the light of the gospel to the remaining least-reached corners of the world—until ALL have had the opportunity to hear. And we won't stop until the job is done.

These are uncertain and difficult times, but a crucial time for the gospel. We are experiencing a once-in-a-generation opportunity, as many around the world will encounter Jesus for the very first time because of the continued faithful presence of Alliance workers.

This Christmas, will you give the gift of gospel presence by supporting your Alliance workers as they bring Jesus into the unfinished stories of the world's lost, wandering, and overlooked?
