IMPORTANT COVID NEWS “Update” ...

The governing board has met regarding the recent increase in cases in Huntingdon. We are concerned, as many of you are as well. We have made the tough decision to postpone Sunday School until we re-evaluate after the New Year. We will continue to worship online and in-person as we have been doing these last few months. We do ask that we utilize every means possible to ensure physical distancing. We thank you for your continued prayers and support. If you have any questions, please reach out to a board member.

=====

To do our part in mitigating further spread, we want to remind you to wear your mask until we are finished singing (and anytime you are moving around the church). In addition, we will have increased our sanitation efforts by purchasing a fogger (sanitizing spray) to be used after each service. We will also begin temperature checks as you come in.

We are very encouraged by the desire for further fellowship after church. This is normally a blessing. However, we ask for this time to be brief so as to give our workers an opportunity to begin the sanitation process.

Thank you all for your patience and love for your brothers and sisters in Christ.
On behalf of the Governing Board, Pastor Rob

=====

So Please Wear a Mask....In the interest of comfort, please wear a mask until the sermon begins & put it on after the sermon ends. Again, we understand people have strong feelings on both sides of this issue. Remember, this is not an essential issue, rather a love issue. Let's love each other well.

WEDNESDAY EVE PRAYER MEETING

Due to the Christmas season and COVID, we will be postponing prayer meeting until after the New Year. Stay tuned for more details.

This month, Brittany Vaughn will share how the Lord is using her to make a Kingdom impact here in Huntingdon.

JANUARY PRAYER FOCUS - INDIA

Persecution Type:	Religious nationalism
Persecution Level:	Extreme
Population:	1,368,738,000
Christians:	66,194,000
Main Religion:	Hinduism

The victory of the BJP in the national election in 2014 and its reelection in 2019 brought about a sense of confidence among the Hindu radical party cadre that now they can attack Christians and other religious minorities with impunity and they do not have to worry about the law enforcement.

Radical Hindu groups have been demanding that the government ban those who convert to Christianity from receiving education and employment opportunities provided for the indigenous people.

Three unidentified men shot and killed a pastor in the east Indian state of Jharkhand while he was returning home with his wife after baptizing new believers.

Pray

for God's protection over Christians who boldly evangelize in the growing number of states with anti-conversion laws. Pray they will be wise in their evangelism efforts.
