February Prayer Focus - Myanmar

Villagers with animistic beliefs take vengeance against Christians, claiming they are angering the local spirits. Active believers who share their faith face difficulties. Within tribal groups, families oppose conversion and new believers are subject to close government monitoring. Buddhist monks have actively opposed new Christian converts and evangelists. Pastors face arrest and are usually held for a few days at a time.

From a relative of a missionary in Myanmar: "The situation there has escalated dramatically. There's a lot going on that I'm not sure if I should talk about it on social media for their own safety, but it's not a safe place right now and there's not a way to get out. There have been military people trying to poison the water, lots of vandalism/fires, etc. The military is cutting off all internet access until at least the 28th of February so we won't know anything for a while. Just pray for the people of Myanmar please."

Pray for safety for the locals and the missionaries who are currently trapped in the country.

Pray they have the boldness to continue witnessing even in the face of persecution.

CHILD SAFETY - Child Protection Volunteer(s)

The Christian Ed (CE) committee would like to update the list of youth ministry volunteers and give the opportunity for others to get involved. All workers are required to have 3 clearances to minister to our youth and children.
