As a land once marked with the footsteps of such men as Abraham, Job, Moses, and Jesus Christ, the Hashemite Kingdom of Jordan is rich with Biblical history. As a result, Christians consider areas of Jordan to be holy, although only two percent of the population identify themselves as followers of Christ. Without the prevalence of oil found in most other Middle Eastern countries, the nation relies on tourism and foreign aid in order to offset a high budget deficit, and Jordan's economy is the smallest in the Middle East.

Jordan is categorized as a restricted nation, where Christians are persecuted or oppressed as a result of government policy, and a staggering 14 of the 21 people groups in Jordan have not heard the Gospel. While Islam serves as the official religion, the constitution allows for religious freedom as long as Islamic law and public morality are not violated. Though legally protected, many new followers of Christ are pressured by the Muslim society and emigrate. This results in fewer people remaining to bear witness to the transforming power of the Gospel. While the churches within Jordan generally have good relations with each other, only about ten percent of house churches have meaningful relationships with Muslims. Media ministry is proving to be effective in this nation, specifically Christian satellite TV and radio broadcasts

Pray for current religious freedom to remain despite increasing pressure to suppress it.

Pray for the multitude of refugees who have crossed into Jordan to clearly hear the true gospel.

Pray for Christianity to be held in high regard so that God's work in this strategic part of the Middle East would not be thwarted.

What can you do to help families in our community celebrate new birthdays? What can your spare change achieve?

Each of us can participate in bringing hope! Each bottle you fill helps us save another life and brings help, hope, and healing through the ministry of our center. This Baby Bottle Boomerang campaign raises money that will support the life-changing work of meeting the physical and spiritual needs of men and women who find themselves facing an unplanned pregnancy.

Will you partner with us in this easy way to save lives?

Just pick up a bottle after the service today. Fill it with change, bills, or checks and bring it back to the church on the collection date. Or just go online to give at www.cpcforlife.org
