Copies of the JUNE Governing Board minutes & Treasure Reports
are available in the foyer area near the church office.

Slightly smaller than twice the size of Montana, Chile (292,258 sq. mi.) fills a narrow 1,800-mile strip between the Andes Mountains and the Pacific Ocean. One-third of the country is covered by the Andes. In the north is the driest place on earth, the Atacama Desert, and in the center is a 700-mile-long, thickly populated valley. At the southern tip is Punta Arenas, the southernmost city in the world.

The Christian and Missionary Alliance of Chile: 125 organized churches, 80 unorganized groups, 100 ordained ministers, 16,538 baptized members, and 42,862 inclusive members.

Team Initiatives

- Plant churches among the professional class in the Santiago metro area.
- Plant reproducing churches in the needy cities of the northern Chilean desert.
- Train lay leaders and future Chilean missionaries through FATELA's Theological Education by Extension program.
