PSALM 145:5

October Prayer Focus – Bosnia and Herzegovina

A sample of what is available on the CMA website.

From the Dinius Family:

Karen began taking a new medication that just completed clinical trials this summer. The goal of this drug is to hinder the growth and spread of the cancer. She had a MRI in August and another in early October. Both scans showed that the drug is helping, as all the tumors have shrunk some! The main side effect from this drug is fatigue. Otherwise Karen is doing well. We would love your ongoing prayers for God's healing, strength and peace.

Todd has resumed traveling to Alliance churches on the weekends this fall to share about our work in Bosnia. He enjoys connecting with churches and encouraging their involvement in outreach both locally and globally. He has been very blessed by their support, responsiveness, and prayers. Todd has also been teaching a personal finance class for middle school students and is a frequent substitute teacher at our children's school during the week. He appreciates the growing relationships with the teachers, staff, and other parents connected with this school.

Bethany was baptized in August at the C&MA church where we have been attending! It was such a wonderful celebration of what God is doing in her life! This school year she has also started to play the flute, found a new dance studio, and is babysitting on a weekly basis. She is really blossoming!

Joshua continues to love building things with cardboard or Legos! He is now participating in a Lego Robotics group that meets after school. He is constantly thinking about designing buildings, boats, city plans, etc. He has also enjoyed playing soccer during and after school, and the grass in our yard shows it!

Kaitlyn is still her jovial, sweet self! She loves to read, be outdoors, and do whatever her siblings are doing. She enjoys cooking, baking, gymnastics, and a variety of sports.

Thanks so much for your partnership in prayer for our family personally and our team's ministry in Bosnia. We deeply appreciate all of you!

GOT PRAYER?

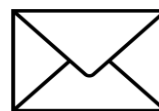

If you would like to engage in a community of believers who desire to grow deeper in their walk with Jesus through prayer, I'd love to invite you to POP (Pray on Purpose) beginning on **November 4 from 7:00 - 8:30 pm** at HCMA.

This is not a prayer meeting but a prayer study. In this 11-week study you will be challenged with new prayer concepts, learn how to posture yourself to hear from the Lord, and discover how to intentionally pray Spirit-led, Kingdom-focused, and God-centered prayers.

Each week will focus on a specific prayer category and apply what we learn through interactive and individual prayer exercises. You will find that prayer is a gift designed to collaborate with the Living God. As we work with Him, we are exposed to His character and His will not only for our lives, but for our community and our world.

Everyone is welcome! To sign up or for questions, contact Janie Hill at 360-580-2389 (call/text) or wreckedbykindness@gmail.com.

**My hope for each class is not only to deepen and widen your understanding of prayer but to raise up new leaders who God calls to lead this study within their own circle of influence. So, I have included another chapter at the end of the study for anyone who is interested in teaching this material.*

The 100 Envelope Fundraising Challenge!

The Alliance Youth LIFE 2022 fundraiser is underway! It is a "100 Envelope Challenge"! Envelopes numbered from 1 - 100 are located on the bulletin board outside the Fireside Room.

Please choose the envelope with the number of the amount that you'd like to give.

If the numbered envelope you wanted is gone, please grab one with a lower number and put the amount of money you had originally planned to give in it.

Envelopes can be returned to either the church office, put in the offering plate or mailed. Thank you so much for supporting the youth!
