Discipleship

Jesus tells us to go and make
disciples. If you have not
intentionally been discipled, would
you consider coming to an evening
to discuss a discipleship pathway?

Jan. 28th, 6:30pm, Fireside Room.

Let Pastor Rob know if you plan on attending by calling
the church office.

All things bright and beautiful,
All creatures great and small,
All things wise and wonderful;
The Lord God
made them all.

How many are your works, LORD!

In wisdom you made them all;
the earth is full of your creatures...
living things both large and small.

PSALM 104:24–25 (NIV*)

January Prayer Focus – Dominican Republic

In 2013, the Nutters learned more about Envision and the great impact it was having around the world and knew that it was something they wanted to be a part of. They joined the DR team as site associates, and then moved into the site coordinator role in early 2015. Before serving with Envision, Brandon was an Alliance youth pastor, and Bethany was a middle school teacher. While in the pastorate, the Nutters led multiple short-term trips overseas because of the great value they saw in how it impacted their church members' lives while joining in on the long-term mission of the Alliance. They now live in Santo Domingo along with their three kids, Drew, Benjamin, and Lily. Brandon spends a lot of his time in leadership development with Dominican pastors, while Bethany handles the administrative and development side of teams & interns and leads ESL ministries. They love that ministry provides an opportunity to share conversations and life with so many others. If they can, they'll get you around their table so they can serve you up a big meal (probably tacos), share some quality coffee, and maybe challenge you to a friendly yet fierce board game.

Envision DR is located in the capital city of Santo Domingo, home to over 3 million people. Santo Domingo is the oldest western city in the Americas. A city founded by Christopher Columbus' son, Bartholomew, in 1496, it became a city of firsts: the first university, first castle, and even the first entry point for Christianity in the new world. Unfortunately today, only 11-12 percent of the population have a saving faith in Jesus Christ.

Envision DR has the great privilege of partnering with the Dominican Alliance Church to identify and develop the next generation of leaders through 3 main strategies: the Greenhouse university student center, One Child development centers, and local church ministry. Our main focus, the Greenhouse, is located next to the largest public university in the Dominican Republic, and we seek to be a place of refuge for their 50,000+ students. We love having both American and Dominican believers serve there with us as part of their own development and understanding of missions. Yes, the Dominican Republic is a beautiful island, but there is so much work left to do in spreading the gospel message!

Welcome

40 DAYS OF prayer

All are welcome to join Alliance Women for “Our Cup Overflows” Prayer Walk Initiative on Saturday, February 19 at 1:00 pm. Our purpose is to saturate our community with the love of Jesus by delivering these mugs into our neighborhoods and asking if we can pray for them. We believe this act of love will provide the hope of Jesus to those who need it.

Here are some ways you can partner with us:

- 1) Donate your non-logo'd mugs
- 2) Donate a bag of chocolates
- 3) Donate a box of hot chocolate
- 4) Donate a bag of starlight mints
- 5) Show up to Alliance Women on Feb. 15th to help assemble
- 6) Show up to deliver mugs on Feb. 19th
- 7) Stay behind at the church to pray for prayer requests that will come in throughout the event
- 8) Help with refreshments for after the teams return
- 9) Pray at home for the entire event

All donations will be accepted through February 6.

We will cover four areas of Huntingdon. Please be in prayer for the hearts of our community to be soft and for opportunities to share Jesus.

For questions, please contact Janie Hill at 360-580-2389
